Important information about your telephone service**SERVICE WITHDRAWAL**

Pending Federal regulatory approval where applicable, on or after March 18, 2016, AT&T Corp. will discontinue the following services originating and terminating in the United States, the District of Columbia, Puerto Rico, the U.S. Virgin Islands and all international locations: Bill-to-a Third Number, Busy Line Verify / Internet Connect, International Directory Assistance, and Person-to-Person.

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of AT&T Corp., AT&T Communications of Indiana, LLC, AT&T Communications of New York, Inc., AT&T Communications of Texas, LLC, AT&T Communications of Virginia, LLC, AT&T Alaska and Teleport Communications Group. Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service. AT&T Customer Service can be reached at the toll-free number on your bill or V/TTY at 711. Thank you, AT&T, 60 West Avenue, Room 405, Wayne, PA. 19087.
